MEMORANDUM FOR THE PRESIDENT

Subject: Report on Presidential Determinations Under  
the Mutual Defense Assistance Control Act of 1951.

I am forwarding herewith the following papers under my responsibility  
for administration of the Control Act:

1. A draft Report on Presidential Determinations for the quarter ending September 30, 1957. This report is required under Sec. 103(b) of the above Act, and contains the following:
  - a. A statement of the new Determinations made during the quarter ending September 30, 1957, divided into a statement of unclassified Determinations, and an Addendum showing the Determinations which must be kept classified for security reasons.
  - b. A statement that you have reviewed all previous Determinations under the Control Act, including the new ones made in the quarter reported on, and have concluded that no further comments are necessary.
  - c. An analysis of the trade with the Soviet bloc of those countries for which Determinations have been made, including a separate classified Addendum on the trade of certain countries where, for security reasons, the fact that these countries have been involved in Determinations under the Act, must remain classified.
2. A memorandum for your signature approving the Report and authorizing me to transmit it to the Chairmen of the six Congressional Committees specified in the Act.
